

Shutdown

```
graph TD; A[Shutdown] --> B[Publish to mdu/shutdown Topic]; B --> C[Close Communication with Storage Unit]; C --> D[Sleep Mode];
```

A vertical flowchart with four rectangular boxes connected by downward-pointing arrows. The first box is light green with rounded corners and contains the text 'Shutdown'. The second box is white with a black border and contains 'Publish to' followed by '*mdu/shutdown* Topic' on the next line. The third box is white with a black border and contains 'Close Communication' followed by 'with Storage Unit' on the next line. The fourth box is white with a black border and contains 'Sleep Mode'.
