

Shutdown

```
graph TD; A[Shutdown] --> B[Publish to mdu/shutdown Topic]; B --> C[Close Communication with Storage Unit]; C --> D[Sleep Mode];
```

A vertical flowchart with four rectangular boxes connected by downward-pointing arrows. The first box is light green with rounded corners and contains the text 'Shutdown'. The second box is white with a black border and contains the text 'Publish to *mdu/shutdown* Topic'. The third box is white with a black border and contains the text 'Close Communication with Storage Unit'. The fourth box is white with a black border and contains the text 'Sleep Mode'.

Publish to
mdu/shutdown Topic

Close Communication
with Storage Unit
